From the MD's Desk

I hope this message finds you in good spirits. As we reflect on the achievements and milestones of the past quarter, I am filled with gratitude for each and every one of you who has contributed to Alstone's remarkable success.

Our recent projects serve as a testament to our unwavering commitment to excellence and innovation in the cladding industry. The meticulous craftsmanship and unwavering dedication showcased in these endeavors truly embody the core values of Alstone.

Furthermore, our active participation in various events and exhibitions has not only strengthened our market presence but also provided us with invaluable opportunities for networking and collaboration.

In our "Alstone's Soul Partner" series, we shine a spotlight on the remarkable journey of our esteemed channel partner. The story of Mr. Ravneet Sadana (M/s S B Sons, Dehradun) stands as a testament to the enduring relationships we have built over the years.

Alstone's ArchClub, our collaboration with Ar. Meghna Srivastava from MAP Architects Bengaluru and Ar. Yogesh Tantia from DSP Design Associates, Bengaluru celebrates the brilliance of architectural minds.

As we look ahead to the next quarter, let us continue to uphold the values of integrity, innovation, and excellence that define Alstone.

Ar. Meghna Srivastava

from MAP Architects Bengaluru, Karnataka and absolute believer of the quote:

“Grow your roots, you never know when you shoot up and reach the sky”.

An Indian Institute of Management Bangalore (IIM Bangalore) alumni and been practicing architecture since last 25+ years. She loves the challenging geographical landscapes from IT parks to corporate firms, to airports, to high rise buildings. During her early career stage she got to work with Ar. Brinda Somaya, a great Indian Architect herself who reflects Indian ethos in her architecture.

Ar. Megha believes in proceeding with Sustainable and Make In India approach and we are happy to share the same thought process as hers with our revolutionary products. She aligns with our Alstone Alcomb which is an aluminium based honeycomb core structured panels, these panels are future ready.

Women Empowerment | **Ms. SIMMI KATARIA**

At Alstone, we take immense pride in showcasing the remarkable journey of Ms. Simmi Kataria, a true embodiment of women's empowerment and resilience. Ms. Simmi's career trajectory from a scanner to Assistant Manager of Operations at Alstone's Head Office exemplifies her unwavering determination and adaptability.

Ms. Simmi's journey began with a strong academic foundation laid at Vivekanand College in Vivek Vihar, Delhi, which equipped her with essential skills for professional growth. Her transition to Alstone in 2010 amidst the banking sector crisis was not just a career move but a strategic decision towards a more stable and fulfilling path.

In her current role, Ms. Simmi oversees debtors in the West and South regions, demonstrating exceptional communication, problem-solving, and strategic planning skills to drive sales and collections. Her dedication to excellence and leadership qualities align perfectly with Alstone's values.

Ms. Simmi's dream of becoming the Operation Head at Alstone fuels her relentless pursuit of improvement and innovation. Drawing inspiration from her father, she exemplifies patience and resilience in overcoming challenges, both personally and professionally.

Balancing career and family, Ms. Simmi's daily routine reflects her unwavering commitment to both. From ensuring her husband and children are prepared for their day to actively contributing to their activities, she showcases the strength and capability of women in every aspect of life.

As we celebrate women's empowerment, Ms. Simmi's journey serves as a testament to the power of perseverance, learning, and growth. Alstone is honored to promote and recognize the invaluable contributions of women like Ms. Simmi Kataria, who inspire us all with their remarkable achievements.
