ALSTONE®

LUXURY ON THE MOVE!

Alstone is a market leader of Metal Composite Panels, constantly on the lookout for industry innovation & challenges.

Alstone a two decades old brand trusted by architects, builder, façade consultant and fabricators. Alstone has wide range of products namely, Alstone Zinc powered by VMZINC France, Alstone Alcomb, Alstone HPL, Alstone Antiq, Alstone Stonera, Alstone Louvers, Alstone Fuel Pro, Alstone FR (ACP) and Alstone Sign pro.

Alstone Interio series is created with a focus on delivering captivating cladding solutions. They are designed to enhance the ambiance and aesthetics of interior spaces like transportation service vehicles and other places while maintaining a modern and elegant look.

The products under Alstone Interio series are built to withstand the rigors of regular use and provide long-lasting performance. They are engineered to be resistant to wear, tear, and damage, ensuring that they maintain their quality even in high-traffic environments like buses, metro rail, etc.

The series offers a range of design options, colors, textures, and finishes, allowing for personalized choices to suit different interior themes and preferences.
