ALSTONE[®]

— OFFICIAL PARTNER —

Alstone is a market leader of Metal Composite Panels, constantly on the lookout for industry innovation and challenges.

Alstone- a two decades old brand, trusted by architects, builder, façade consultant and fabricators. Alstone has wide range of products: Alstone Zinc powered by VMZINC France, Alstone Alcomb, Alstone Antiq, Alstone Stonera, Alstone Louvers, Alstone HPL, Alstone FR (ACP) and Alstone Fuel Pro.

Alstone introducing its new range of **Ventilated Fin Louvers**, expertly crafted to optimize airflow. These louvers allow fresh air to enter the building and improve the indoor air quality, reduced reliance on mechanical ventilation systems, energy efficiency, and enhanced aesthetics. Alstone use high quality materials in the manufacturing of their Fin Louvers, ensuring long term durability. The louvers are designed to withstand harsh weather conditions with minimal maintenance, making them a reliable and cost effective choice.

Additionally, our premium line of Alstone Louvers for premier buildings. Our Louvers have been designed to be nothing short of exquisite, for those who want to be surrounded by architectural elegance. Made to fit your taste, this range is the perfect way to add a personal touch and sprinkle of sophistication to your home or office.

Our exclusive range of Louvers and Fin Louvers are made to fit your taste, this range is the perfect way to add a personal touch and sprinkle of sophistication to your home or office.
